

**DISCRIMINATION PROHIBITED** - Title VI of the Civil Rights Act of 1964 states: "No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." Therefore, the Public Health Service Grants and Awards Program, like every program or activity receiving financial assistance from the Department of Health, Education and Welfare, must be operated in compliance with this law.

# CONTENTS

## VOLUME I

|                                 | <i>Page</i> |
|---------------------------------|-------------|
| Foreword .....                  | iii         |
| Introduction .....              | vi          |
| Glossary of Abbreviations ..... | ix          |
| Subject Headings .....          | 1           |

## VOLUME II

|   |      |
|---|------|
| Glossary of Abbreviations .....                             | xv   |
| Grant Number and Bibliography List .....                    | 1105 |
| Research Contracts .....                                    | 1747 |
| Distribution of Publications by Institute or Division ..... | 1759 |
| Sources of Publications Listed .....                        | 1760 |
| Journals Most Frequently Cited .....                        | 1779 |
| Alphabetical List of Investigators .....                    | 1781 |

## GLOSSARY OF ABBREVIATIONS

**Grant Numbers.** Numbers for research grants (e.g., AI-00023-19) consist of a 2-letter code (AI) representing the PHS organization supporting the project followed by a 5-digit serial number (00023), and a suffix (-19) which indicates the number of years the grant has been active. The suffix is not used in Volume I of the Index, but appears in the Grant Number and Bibliography List (Volume II, page 1105) and the Alphabetical List of Investigators (Volume II, page 1781).

**Contract Numbers.** Numbers for research contracts (e.g., AI-620127) are composed of a 2-letter code (AI) representing the supporting Institute/Division, etc., and a 6-digit number. The first two digits of this number (62) indicate the fiscal year in which the contract was awarded initially, and the remaining digits (0127) are the contract identification number. In Volume I and in the Grant Number List of Volume II contracts appear at the end of each Institution/Division list of grants. A separate listing of contracts appears on pages 1747-1758.

### *PHS ORGANIZATIONS AWARDING RESEARCH GRANTS OR CONTRACTS*

|    |  |
|----|--|
| AI | -- National Institute of Allergy and Infectious Diseases, National Institutes of Health              |
| AM | -- National Institute of Arthritis and Metabolic Diseases, National Institutes of Health             |
| AP | -- National Air Pollution Control Administration, Consumer Protection & Environmental Health Service |
| BS | -- Division of Biologics Standards, National Institutes of Health                                    |
| CA | -- National Cancer Institute, National Institutes of Health  |
| CC | -- National Communicable Disease Center, Health Services & Mental Health Administration              |
| CD | -- National Center for Chronic Disease Control, Health Services & Mental Health Administration       |
| CH | -- Division of Community Health Services, Health Services & Mental Health Administration             |
| CR | -- Division of Computer Research and Technology, National Institutes of Health                       |
| DE | -- National Institute of Dental Research, National Institutes of Health                              |
| DH | -- Division of Dental Health, Bureau of Health Manpower, National Institutes of Health               |
| DS | -- Division of Direct Health Services, Health Services & Mental Health Administration                |
| ES | -- Division of Environmental Health Sciences, National Institutes of Health                          |
| FR | -- Division of Research Facilities and Resources, National Institutes of Health                      |
| GM | -- National Institute of General Medical Sciences, National Institutes of Health                     |
| HD | -- National Institute of Child Health and Human Development, National Institutes of Health           |
| HE | -- National Heart Institute, National Institutes of Health   |
| HM | -- Division of Hospital and Medical Facilities, Health Services & Mental Health Administration       |
| HS | -- National Center for Health Statistics, Health Services & Mental Health Administration             |
| LM | -- National Library of Medicine, National Institutes of Health                                       |
| MH | -- National Institute of Mental Health, Health Services & Mental Health Administration               |
| MR | -- Division of Mental Retardation, Health Services & Mental Health Administration                    |
| NB | -- National Institute of Neurological Diseases, National Institutes of Health                        |
| NU | -- Division of Nursing, Bureau of Health Manpower, National Institutes of Health                     |

OD -- Office of the Director, National Institutes of Health  
 PM -- Division of Physician Manpower, Bureau of Health Manpower, National Institutes of Health  
 RG -- Division of Research Grants, National Institutes of Health  
 RH -- National Center for Radiological Health, Consumer Protection & Environmental Health Service  
 RM -- Regional Medical Programs, Health Services and Mental Health Administration  
 RS -- Division of Research Services, National Institutes of Health  
 SG -- Office of the Surgeon General, Public Health Service  
 TW -- Fogarty International Center, National Institutes of Health  
 UI -- National Center for Urban and Industrial Health, Consumer Protection & Environmental Health Service

### *Review Groups*

Study Sections or Committees giving technical review to applications are abbreviated in the Grant Number and Bibliography List, Volume II, as shown below.

|  |   |
|--|---|
| AFY -- Applied Physiology  | CUAN -- Cultural Anthropology Fellowship Review Committee           |
| AIP -- Allergy and Infectious Diseases Program-Project Committee   | CV -- Cardiovascular  |
| ALC -- Alcoholism and Alcohol Problems Review Committee            | DBR -- Developmental Behavioral Sciences                            |
| ALY -- Allergy and Immunology                                      | DEN -- Dental   |
| AMP -- Arthritis and Metabolic Diseases Program-Project Committee  | DEP -- Dental Program-Project Committee                             |
| APC -- Air Pollution   | DER -- Dermatology Training Committee                               |
| APR -- Injury Prevention   | DSR -- Dental Research Institute Review Committee                   |
| AR -- Animal Resources   | EDC -- Epidemiology and Disease Control                             |
| BAC -- Environmental Biology and Chemistry                         | END -- Endocrinology  |
| BBC -- Biophysics and Biophysical Chemistry                        | EPR -- Experimental Psychology Research Review Committee            |
| BCM -- Biomedical Communications                                   | ERT -- Environmental Sciences Review Committee                      |
| BIO -- Biochemistry  | ESR -- Epidemiologic Studies Review Committee                       |
| BIOS -- Biomedical Sciences Support                                | EUH -- Engineering and Urban Health Sciences                        |
| BM -- Bacteriology and Mycology                                    | EXP -- Experimental Psychology                                      |
| CAP -- Cancer Program-Project Committee                            | GEN -- Genetics   |
| CB, CBY -- Cell Biology  | GM -- General Medicine  |
| CDC -- Communicable Disease Control                                | GMP -- General Medical Research Program-Project Committee           |
| CIC -- International Centers Committee                             | GRS -- General Research Support                                     |
| CLR -- Clinical Research Centers                                   | HDP -- Child Health and Human Development Program-Project Committee |
| CMS -- Communicative Sciences                                      |   |
| COM -- Computer Research   |   |
| CPP -- Psychopharmacology (Clinical) Research Review Committee     |   |
| CPR -- (Mental Health) Clinical Projects Research Review Committee |   |
